

## 如何自動收到 Cadence SourceLink 軟體更新通知

[Step1] Go to [sourcelink.cadence.com](http://sourcelink.cadence.com) and login to Source-Link.

- (1) If you do not have Source-Link account, click Sign up as a new user , and follow the instructions.
- (2) If you already have a Source-Link account, click Login, type your login name and password , and click Login.

[Step2] Click on 「Notification Preferences」 from 「Software Updates」 tab , please refer the following:

The screenshot shows the Cadence SourceLink user interface. At the top, there is a navigation bar with the Cadence logo and several tabs: Troubleshooting, Service Requests, Product Pages, Resources, Design Tasks, Software Updates, and My Support. The 'Software Updates' tab is currently selected. Below the navigation bar, there is a search bar and a 'Filter by Document Types' section. The 'Notification Preferences' dropdown menu is open, showing options like 'Software Updates Home', 'Download Software', 'Order Licenses', 'Order Software on DVD', 'Recent Software DVD & License Orders', 'Software Download Preferences', and 'Notification Preferences'. The 'Notification Preferences' option is highlighted with a red dashed box. Below the dropdown, there is a 'Cadence Support News' section with a 'View all' link. At the bottom, there is a 'My Service Requests' section with a 'CREATE SERVICE REQUEST' button and a table with columns for Summary, SR Number, Created On, and Status.
